

Why we are using it:

- Chronological journey through the Bible
- Gets kids out of their seats and into the story. VERY interactive.
- Focuses on: God – Bible – Easy – Fun – Family
  - God – Not only learn about God, but interact with Him too.
  - Bible – All stories fit together into God's story of love and redemption.
  - Easy – Easy for volunteers and easy to edit lessons.
  - Fun – Imaginative and interactive. Best way to engage kids is to involve them.
  - Family Focused – Home sheets for parents.
- Great heart prep
- Great training pieces

Every 4-5 weeks, GO! uses a different theme. Each theme is built around a storytelling method that puts kids in the middle of the storytelling action. Our methods are interactive, fun, and utilize a variety of learning styles. Because of this, GO! always stays fresh, keeps kids engaged, and helps them grow in their faith regardless of how they learn best.

#### Super Duper Picture Party

**Storytelling Method:** Drawing/Picture guessing game

**Learning Style:** Visual

**Description:** Preschool kids will get to create their own pictures and play a picture guessing game that teaches them about the Creator of all creators. They'll learn that God created everything and it's good!

#### Silly Sound Factory

**Storytelling Method:** Sound effects

**Learning Style:** Auditory/Aural

**Description:** Using their mouths, bodies, and just about anything else they can find, preschool kids will make the Bible come alive with their very own sound effects. Best of all, they'll learn about God's faithfulness and the power of forgiveness.

#### Say Cheese!

**Storytelling Method:** Statue/Strike a pose

**Learning Style:** Physical

**Description:** By striking different fun and creative poses, preschoolers will picture what it was like to be Moses and the Israelites during their miraculous exodus from Egypt and into the wilderness. More than that, kids will get a picture of God's amazing power and provision.
